MARKET

Congratulations on your upcoming nuptials!

When it comes to flowers, we love helping brides and grooms design their dream wedding. With full service, premium quality wedding flowers at the most competitive prices, we design custom wedding packages, from fabulously extravagant to beautifully simple.

Getting Started

We know there is a lot to plan and figure out when you're getting married. We suggest putting your dreams on paper. Once you have an idea about what you might like, think about the logistics. How many attendants will you have? How many people need corsages or boutonnieres? What will you need for the ceremony and reception?

Free Consultation

When you're ready, call us to schedule your free, one-hour wedding consultation. Make sure to bring lists, photos, fabric swatches, a sample of specific containers or anything else that might help us, as together we dream up your wedding flowers. We love that every couple is unique and want to design florals that would suit you and your wedding perfectly.

For your consultation appointment, ask for Ami or Jackie in the Floral Department at 616.455.7998.

Save the Date

Reserve your date! There is a \$50 non-refundable fee, that is separate from the actual cost of the flowers, to hold the date for your wedding. We work hard to deliver gorgeous florals, so we don't overbook ourselves. This way, we can give your wedding the attention it's due.

Payment

One month before your wedding, a 25% deposit of the total charge is due. The remaining balance is due two weeks prior to your big day.

Vase Rental

You may provide your own containers, or we have an assortment of different sizes and shapes of vases available to rent. Prices start at \$4.50.

Final Delivery

We can deliver your flowers, or you may pick them up yourself. The delivery fee is \$15 per location in the Grand Rapids area.

DIY with Bulk Flowers

Do you love to DIY? We offer a large variety of flowers in bulk at wholesale prices for you to create your own wedding flowers. "Bulk Flowers" are loose flowers for decorating or making arrangements yourself. Any bulk flower order over \$40 requires a 20% handling fee above the cash and carry price of the week. Any arrangement or bouquet we design does not fall under this category.

All floral photos are actual work created by Horrocks Market designers.

Weather and holidays such as Valentine's Day and Mother's Day can affect prices. Prices are subject to change.

Remember, flowers are a beautiful natural product. If for some reason a flower is not up to our standards, substitutions will be made.
