### GETTING STARTED

Review this pamphlet. Feel free to make notes about what you want. How many attendants will you have? How many people need corsages or boutonnieres? What will you need for the ceremony and reception?

### FREE CONSULTATION

Call us to schedule your free one-hour wedding consultation. Make sure to be prepared and organized. Bring lists, photos, fabric swatches, and your dreams. We will be glad to help you with creating the look you want.

For your consultation appointment, ask for Ami or Jackie in the Floral Department at 616.455.7998.

### SAVE THE DATE

Reserve the date with Horrocks Floral Department. There is a \$50 non-refundable reservation fee. This holds the date for your special day. This fee is separate from the actual cost of the flowers.

### PAYMENT

One month in advance of the wedding, we require a 25% deposit of the total charge. Two weeks prior to the wedding, the balance is due.

### VASE RENTAL

Horrocks carries an assortment of different sizes and shapes of vases available to rent. Prices start at \$4.50.

### FINAL DELIVERY

Delivery is available or you may pick up the flowers yourself. The delivery fee is \$15 per location in the Grand Rapids area.

Any bulk flower order over \$40 requires a 20% handling fee above the cash and carry price of the week. "Bulk Flowers" are loose flowers you may want for decorating or making arrangements yourself. This does not include the bouquets and arrangements our designers are creating for you.

*All floral photos are actual work created by Horrocks Market designers.*

*Weather and holidays such as Valentine's Day and Mother's Day can affect prices. Prices are subject to change.*

*Remember, flowers are a beautiful natural product. If for some reason a flower is not up to our standards, substitutions will be made.*
